## SELF ADHESIVE BOARD FILM

Blackboard films made from high quality PP material suitable for writing on with chalk or whiteboard marker and can be used, for example, as a menu in your restaurant or café, as a notepad in the hallway or for drawing in the children's room. It is always possible to wipe off the blackboard film with a damp cloth or whiteboard eraser and then write on it again. With a whiteboard, you can turn any smooth surface into a rewritable surface in no time at all. Film thickness 0,12mm.
